

November 2020

CPNP 25th Anniversary

This year we are celebrating 25 years of Canada Prenatal Nutrition Program (CPNP) programs in Ontario!

We have a four week social media campaign created by the Ontario Network of CAPC/CPNP Projects to celebrate 25 years of CPNP Projects. Our Facebook page is called:
UNFC Aboriginal Prenatal Nutrition Program

There are four weeks worth of posts, each week with a different theme.

#OntarioCAPCCPNPNetwork #CPNPcelebrating25years

In addition to celebrating CPNP's 25th Anniversary, we hope that this campaign will bring awareness to what CPNP programs have to offer and provide positive health messages for our families and communities.
